The purpose of this circular is to give you information on matters to be dealt with at the forthcoming AGM and the notice of AGM. RE-ELECTION OF RETIRING DIRECTORS

The Board currently consists of six Directors, namely Mr. Ho King Fung, Eric, Mr. Tse Kwok Fai, Sammy, Mr. Chan Chi Hung, Anthony, Mr. Qian Zhi Hui, Mr. Teoh Chun Ming and Mr. Zhu Tiansheng.

* For identification purpose

LETTER FROM THE BOARD

All Directors will retire from office at the AGM pursuant to Article 99(A) of the Bye-laws and are eligible to offer themselves for re-election. Details of the retiring Directors proposed for re-election at the AGM are set out in the Appendix I of this circular.

REFRESHMENT OF GENERAL MANDATES TO ISSUE SHARES AND TO REPURCHASE SHARES

At the special general meeting of the Company held on 3 January 2014, shareholders other than the Directors (excluding independent non-executive Directors) and the chief executive of the Company and their respective associates approved, among other things, an ordinary resolution to grant to the Directors the Existing General Mandate to allot up to 833,975,517 Shares. As at the Latest Practicable Date, the Existing General Mandate had not yet been utilised. The Existing General Mandate to issue Shares will expire at the conclusion of the AGM.

At the annual general meeting of the Company held on 3 July 2013, Shareholders approved, among other things, an ordinary resolution to grant to the Directors a repurchase general mandate to repurchase up to 327,987,758 Shares. The general mandate to repurchase Shares will expire at the conclusion of the AGM. As at the Latest Practicable Date, the aforesaid repurchase general mandate had not yet been utilised.

Ordinary resolutions will be proposed at the AGM to grant to the Directors the General Mandates, inter alia, (a) to allot and issue Shares not exceeding 20% of the issued share capital of the Company as at the date of the passing such resolution and the extension to issue Shares by adding the number of Shares repurchased under the Repurchase Mandate; and (b) to repurchase Shares not exceeding 10% of the issued share capital of the Company as at the date of passing of such resolution.

The Directors believe that it is in the interests of the Company and the Shareholders as a whole if the General Mandates are granted at the AGM. The General Mandates provide the Directors with flexibility to issue Shares especially in the context of a fund raising exercise or a transaction involving an acquisition by the Company where Shares are to be issued as consideration and which has to be completed speedily. However, the Directors currently have no intention of any acquisition by the Company or any plan for raising capital by issuing new Shares after the refreshment of the General Mandates.

As at the Latest Practicable Date, a total of 4,852,357,588 Shares were in issue. Subject to the passing of the proposed resolution for the refreshment of General Mandates and on the basis that no further Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under (i) the Issue Mandate to issue a maximum of 970,471,517 Shares; and (ii) the Repurchase Mandate to repurchase a maximum of 485,235,758 Shares.

An explanatory statement providing all the information required under the Listing Rules concerning the Repurchase Mandate is set out in Appendix II to this circular.

LETTER FROM THE BOARD

REFRESHMENT OF SCHEME MANDATE LIMIT

The Share Option Scheme was approved and adopted by the Shareholders at the special general meeting of the Company on 6 November 2006 whereby the Directors were authorised to grant options to the Eligible Person(s). Apart from the Share Option Scheme, the Company has no other share option scheme currently in force. The Scheme Mandate Limit was initially set at 10% of the Shares in issue as at the date of adoption of the Share Option Scheme which represents a maximum number of new Shares that may be issued upon the exercise of all options under the Share Option Scheme. The existing Scheme Mandate Limit was refreshed at the special general meeting held on 16 September 2013, which enabled the Directors to grant options to Eligible Persons under the Share Option Scheme to subscribe for up to 402,987,758 Shares, representing 10% of the Shares in issue as at 16 September 2013. The movements of the share options granted under the existing Scheme Mandate Limit are as follows:

	Number of share options
Existing Scheme Mandate Limit as at 16 September 2013	402,987,758
Granted on 25 November 2013 which were still outstanding	<u>(160,000,000)</u>
Unused limit as at Latest Practicable Date	<u><u>242,987,758</u></u>

Of the 160,000,000 share options granted on 25 November 2013 as listed above, none has been exercised, cancelled or lapsed and the 160,000,000 share options remain outstanding as at the Latest Practicable Date.

Save as disclosed above, no other options granted under the existing Scheme Mandate Limit has been exercised, lapsed or cancelled.

The Scheme Mandate Limit may be refreshed by the approval of the Shareholders and the refreshed Scheme Mandate Limit must not exceed 10% of the issued share capital of the Company as at the date of the approval. Options previously granted under the Share Option Scheme and other share option schemes of the Group (including options outstanding, cancelled, exercised or lapsed in accordance with the terms of the Share Option Scheme or any other share option schemes of the Group) shall not be counted for the purposes of calculating the refreshed Scheme Mandate Limit.

The Directors propose that the Scheme Mandate Limit be refreshed so that the Share Option Scheme can serve its purpose of giving incentives to Eligible Persons for their contribution to the Group. Based on the issued share capital of 4,852,357,588 Shares as at the Latest Practicable Date, the number of Shares under the Scheme Mandate Limit to be refreshed will be 485,235,758 Shares, being 10% of the issued share capital of the Company as at the Latest Practicable Date.

Under the rules of the Share Option Scheme, the overall limit on the number of Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Share Option Scheme and any other share option scheme of the

LETTER FROM THE BOARD

Company must not, in aggregate, exceed 30% of the Shares in issue from time to time. On the basis of 4,852,357,588 Shares in issue as at the Latest Practicable Date, the 30% overall limit represents a total of 1,455,707,276 Shares. As at the Latest Practicable Date, the total outstanding number of Shares which may fall to be issued upon the exercise of those granted and yet to be exercised options since the adoption of the Share Option Scheme was 671,000,000 Shares, representing approximately 13.83% of the issued Shares as at the Latest Practicable Date. Of the aforementioned 671,000,000 total outstanding Shares which may fall to be issued upon the exercise of those granted and yet to be exercised options since the adoption of the Share Option Scheme, 160,000,000 share options were granted on 25 November 2013, representing approximately 3.30% of the issued share capital as at the Latest Practicable Date and the remaining 511,000,000 share options were granted under old Scheme Mandate Limits prior to the Existing Scheme Mandate Limit as at 16 September 2013. Accordingly, the refreshment of the Scheme Mandate Limit did not exceed the 30% overall limit as at the Latest Practicable Date.

The total number of Shares issued and to be issued upon exercise of the Options granted to each Eligible Person (including exercised and outstanding options) in any 12-month period shall not exceed 1% of the issued share capital of the Company for the time being. Where it is proposed that any offer is to be made to an Eligible Person which would result in the Shares issued and to be issued upon exercise of all options granted and to be granted to such person (including exercised, cancelled and outstanding options) in the 12-month period up to and including the relevant date of such further grant to exceed such limit, such offer and any acceptance thereof must be conditional upon Shareholders' approval in general meeting with such Eligible Person and his, her or its associates abstaining from voting. The Company must send a circular to the Shareholders disclosing the identity of the Eligible Person, the number and terms of options to be granted (and options previously granted to such Eligible Person), the information required under the Listing Rules. The number and terms (including the exercise price) of options to be granted to such Eligible Person(s) must be fixed before the date on which Shareholders' approval is sought and the date of the Board meeting for proposing such further grant should be taken as the date of grant for the purpose of calculating the exercise price under note (1) to Rule 17.03(9) of the Listing Rules.

The purpose of the Share Option Scheme is to provide incentive or reward to Eligible Persons for their contribution to and for their continuing efforts to promote the interests of the Company. The Directors consider that the refreshment of the Scheme Mandate Limit is in the interests of the Company and the Shareholders as a whole.

The conditions of the refreshment of the Scheme Mandate Limit are:

- (a) the passing of the necessary ordinary resolution by the Shareholders at the AGM to approve the proposed refreshment of the Scheme Mandate Limit; and
- (b) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in the Shares to be issued pursuant to the exercise of the Options to be granted under the refreshed Scheme Mandate Limit.

LETTER FROM THE BOARD

Application will be made to the Stock Exchange for the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of the options to be granted under the refreshed Scheme Mandate Limit. A copy of the Share Option Scheme will be available for inspection at the Company's principal place of business in Hong Kong during normal business hours from the date hereof up to and including the date of the AGM.

THE AGM

A notice convening the AGM is set out on pages 21 to 25 of this circular at which resolutions will be proposed, inter alia, to approve (a) re-election of retiring Directors; (b) the refreshment of General Mandates to issue Shares and to repurchase Shares; and (c) the refreshment of Scheme Mandate Limit. A form of proxy for use by the Shareholders at the AGM is enclosed. Whether you are able to attend the AGM or not, you are requested to complete the form of proxy in accordance with the instructions printed thereon and return it to the Company's branch share registrar in Hong Kong, Tricor Tengis Limited, at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for holding of the meeting or any adjournment thereof (as the case may be). Completion and return of the form of proxy will not preclude you from attending and voting in person at the meeting or any adjournment thereof (as the case may be) should you so wish.

No Shareholders are required to abstain from voting in respect of the resolutions at the AGM.

VOTE BY POLL

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of Shareholders at a general meeting must be taken by poll.

The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

This is the explanatory statement given to the shareholders relating to a resolution authorizing the Company to repurchase its own Shares which is proposed to be passed by the Shareholders by means of an ordinary resolution at the AGM.

This explanatory statement contains a summary of the information required pursuant to Rule 10.06 of the Listing Rules which is set out as follows:

SHARE CAPITAL

As at the Latest Practicable Date, the authorised share capital of the Company was 10,000,000,000 Shares, of which a total of 4,852,357,588 Shares were issued and fully paid.

Assuming that no further Shares are issued or repurchased after the Latest Practicable Date and before the date of AGM, there will be 4,852,357,588 Shares in issue, and exercise in full of the Repurchase Mandate would result in up to a maximum of 485,235,758 Shares being repurchased by the Company during the relevant period referred to in ordinary resolution numbered 5 of the notice of the AGM.

REASON FOR REPURCHASE

The Directors believe that it is in the interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Directors to repurchase the Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per share and will benefit the Company and the Shareholders.

FUNDING OF REPURCHASES

The repurchase of Shares shall be made with funds legally available for such purpose in accordance with its memorandum of association and the Bye-laws and the applicable laws of Bermuda. Under Bermuda law, repurchases may only be effected out of the capital paid up on the repurchased Shares or out of funds of the Company otherwise available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purpose. Any premium payable on a repurchase over the par value of the Shares to be repurchased must be provided for out of funds of the Company otherwise available for dividend or distribution or out of the Company's share premium account before the Shares are repurchased. It is envisaged that the funds required for any repurchase would be derived from such sources.

As compared to the financial position of the Company as at 31 December 2013 (being the date of the Company's latest audited accounts), the Directors consider that the repurchases of shares will have no material adverse impact on the working capital and the gearing position of the Company in the event that the Repurchase Mandate were to be exercised in full during the proposed repurchase period. The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a

material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their associates, as defined in the Listing Rules, has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company. No connected person, as defined in the Listing Rules, has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

UNDERTAKING BY THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Bye-laws and the applicable laws of Bermuda.

SHARES REPURCHASE MADE BY THE COMPANY

During the six months preceding the Latest Practicable Date, the Company has not repurchased any Shares (whether on the Stock Exchange or otherwise).

EFFECT OF THE TAKEOVERS CODE AND MINIMUM PUBLIC FLOAT

If as a result of a repurchase of Shares an ordinary shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of ordinary shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory general offer in accordance with Rule 26 of the Takeovers Code. If the Company were to repurchase Shares up to the permitted maximum of 10% of the issued ordinary share capital of the Company, such parties may together with any other parties acting in concert with them become obliged to make a mandatory general offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register kept by the Company pursuant to section 366 of the SFO, and so far as is known to the Directors, the following Shareholders and its parties acting in concert were directly interested in 5% or more of the issued share capital of the Company carrying rights to vote in all circumstances at the general meetings of the Company together with the number of Shares in which it was deemed to be interested:

Name	Number of Shares held as at the Latest Practicable Date	Percentage of holding as at the Latest Practicable Date	Percentage of holding if the Repurchase Mandate is exercised in full
City Wise Investment Limited (Note 1)	478,232,975	9.85%	10.95%
City Smart International Investment Limited (Note 1)	<u>7,466,856</u>	<u>0.15%</u>	<u>0.17%</u>
	<u>485,699,831</u>	<u>10.00%</u>	<u>11.12%</u>

Notes:

1. City Wise Investment Limited and City Smart International Investment Limited are beneficially wholly-owned by Mr. Wu Shaozhang.

On the basis that no further Shares are issued between the Latest Practicable Date and the date of repurchase under the Repurchase Mandate, in the event that the Directors exercise in full the Repurchase Mandate, the interest of the above Shareholders would be increased to approximately the percentage shown in the last column above and such increase would not give rise to an obligation to make a mandatory general offer under Rule 26 of the Takeovers Code.

Assuming that no further Shares are issued between the Latest Practicable Date and the date of repurchase under the Repurchase Mandate, the Directors exercise in whole or in part the Repurchase Mandate will not result in less than 25% of the issued share capital of the Company being held by the public as required by Rule 8.08 of the Listing Rules. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than such prescribed percentage.

PRICES OF THE SHARES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the twelve months preceding the Latest Practicable Date were as follows:
